

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is clearly electioneering and is illegal.

Sinclair uses the PUBLIC airwaves free of charge, and is OBLIGATED by law to serve the PUBLIC interest. The broadcast of partisan political advertisements under the guise of info-tainment does not serve the public interest. Sinclair's proposed broadcast of Republican anti-Kerry propaganda should be halted by the FCC immediately. Further, Sinclair's license to use the public's airwaves should be revoked immediately and those airwaves should be licensed to entities who demonstrate a true willingness to serve the public interest of all Americans.

Thank you for your immediate attention to this urgent issue. As an American citizen I expect to see prompt action taken to prohibit Sinclair's illegal broadcast.
